Subject Additional grant of Rs 1000 for the purchase of furniture for the use of the Munsiffs' Court at the Kolar Gold Fields.

Letter No 2335/107 dated 23rd October 1903 from the Registrar, Chief Court requesting sanction to the grant of an additional sum of Rs 1000 as no re-appropriation is feasible.

In Govt order No 806-9 J dated 22nd October 1903 sanction was accorded to an advance of Rs 1000 to meet the cost of furniture required for the use of the Munsiffs' Court at the Kolar Gold Fields. The Registrar, Chief Court was asked to submit a re-appropriation statement providing for the amount required for the purchase of furniture or to apply for a new grant.

With reference to the above the Registrar state

that the amount of 100 o/
above referred to may be
treated as a new grant

item of expenditure and

It seems unnecessary
2/11/03 to refer the matter to the
Comptroller because in similar
cases the latter officer has
represented his inability to
offer any suggestion in the absence
of a re appropriation statement
under the new financial
Rules; and such a re-appro-
priation, the Auditor says,
cannot be made in the
present instance.

Draft issued. The Registrar, Chief Court, reports that the Comptroller's suggestion to meet the amount by reappropriation from the contingent grants for the current year for the 3 District Courts is not feasible for the following reasons:—

(1) The amount, which is calculated by the Comptroller on the average of expenditure during the past three years, is not sufficient to meet increased expenditure owing to the revival of Circuit Sessions added during the present year.

(2) It is not possible to ascertain the savings that might be expected out of the

~~grant~~ contingent grants of the District Courts, as the contingent bills of Dt Courts are sent to him for Countersignature and as no separate Register is maintained in his office for the purpose.

He adds that besides Rs 1000, there are other other items, such as rent, cost of establishment & local allowance to Mun-siff etc which have to be met for the new Court.

Note, Continued.

A re appropriation statement applying for an additional grant of Rs 7786/- to meet the above charges has been submitted by the Registrar through the Comptroller.

The Comptroller reports in his memo no: B&R 6 dt 14th December 03 that the amount required, Rs 4922 (as per particulars furnished by him) will have to be sanctioned as an additional grant to 16-A-Law and justice - Courts of Law, but that this amount may still further be reduced by about Rs 1000 for 1500/- as suggested in his no: 2688 B&R 60 dt 13.11.03

No reduction is possible for reasons given above by the Registrar.

The amount (Rs 4922) is, therefore, to be sanctioned as an additional grant.

In para 3 of Govt Pro: No: H 1181-2 dated 5th Nov: 1903, the Registrar has been asked to apply for a new grant as regards the additional cost of establishment charges with local allowances on account of the new munsiffs' Court at the Kolar Gold Fields. The additional cost as given in the Pro: is Rs 4,536. The amount now required is for the following items.

Local allowances to Munsiff and Establishment	1414

SIR,

With reference to your Memo No.936/J dated 7th Instant asking for my opinion with reference to the Ways & Means estimate as sanctioned by Government whether a sum of Rs.1.000/- required to meet the cost of furniture &c., for the new Munsiff's Court at the Kolar Gold Fields can be sanctioned as an additional grant as the Registrar, Chief Court has stated that this is quite an unexpected item of expenditure and no reappropriation is feasible. I have the honor to invite your attention to para 3 of Government Order No.Fl:1938-80 dated 18th May last and to state that the Registrar, Chief Court ought to have forwarded a reappropriation statement in the prescribed printed form (final serial No. 100) stating fully the circumstances under which he is unable to point out a source for reappropriation.

2. The Budget grant for the current year for the contingent charges of the Civil & Sessions Courts is Rs.4,000/- But the average expenditure for 3 years under this head for the 3 Court amounts only to Rs.870 as shown in the margin I am therefore of opinion that Chief Court can suggest th reappropriation of Rs 1,00 from this head by instruct

instructing these Courts to restrict their contingent expenditu to a certain limit, which can be ascertained by referring to the Register maintained in the Chief Court as per Article 91, Civil Account Code Vol: I.

Sir,

With reference to your No. 1070 dated the 27th Ultimo, forwarding copy of letter No. 2688/B.R.60, dated the 13th Idem from the Comptroller in re a grant of Rs 1000 asked for to meet the cost of furniture of the new Munsiff's Court at the Kolar Gold Fields, I am directed to state that the Comptroller's suggestion that the amount may be met by reappropriation from the contingent grant for the current year for the three District and Sessions Courts is not feasible. A larger sum than usual was entered in the Budget for contingencies

meet increased expenditure owing to the revival of Circuit Sessions. During the three years, the average of which was taken by the Comptroller, there was no Circuit Sessions. It may be added that the contingent bills of District and Sessions Judges are not sent to this Court for being Countersigned and consequently no Register is maintained in this office of the contingent expenditure of the District Courts. It cannot be said what savings, if any, might remain out of the above grant at the end of the official year and hence the application for a fresh grant. Besides this sum of Rs 1000, there are other items - such as rent, cost of establishment, local allowance to the Munsiff &c which have to be met for the new Court. A statement, consolidating the different items, was sent to Government through the Comptroller on the 27th Ultimo, with a view to the
